

We are AOK

Tuition and Fees

All registration and activity fees are non-refundable. Expect tuition change every summer. Please pay tuition **on time** so that we can pay our operations expenses on time. Tuition is due every Monday before 6:00PM or the first day of attendance at AOK. A late fee of **\$10.00/child** applies for late tuition.

AOK values our employees and their time. AOK closes at 6:00PM. A **\$10/child/15min and \$1/min thereafter late fee applies** for late pick ups. Please make check payable to the closing teacher.

FIXED PLAN (4 to 5 days a week) families are asked to pay regular tuition on major national holidays. Per Enrollment Contract, parents must give two weeks advance written notice for changing student's enrollment status or they are liable to pay for the two weeks tuition.

Flex Plan families must turn in the student's schedule and pay in full one month in advance. There are NO make-up days for Flex Plan!

Parents are responsible to inform and/or provide copies of the schedule to their children's teachers and to the school office.

Starting summer 2010, families will no longer accrue vacation days. For FIXED PLAN families, a \$50/child HOLD FEE applies to reserve the student/s spot/s at AOK if the student/s should take a leave of absent for more than a week.

Severe Weather

If there is a severe weather alert, AOK staff will follow Kaleidoscope's safety procedures to keep our children safe. In the event of a snow day, please watch Kare11 or WCCO4 for the list of closing schools. If Elk River District schools are closed, we are also closed. If the school is closed due to sudden severe weather, parents will be informed and are expected to pick up their children no later than two hours after school closing time.
